

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in workshops, utility rooms and garages.

CONSTRUCTION

Designed and manufactured to compliment a workshop's popular diamond plate storage cabinets. The rugged 20 gauge 5-3/8" diamond plate reflector directs bright light on work areas. Fully assembled, ready-to-install. Includes a 5' power cord and a pull chain power switch. The residential electronic ballast (120V 60Hz 0.99Amps) starts reliably down to 0°F.

OPTICS

Utilizes (2) 32W linear T8 fluorescent lamps. (not included)

For use with non-dimmable switches only.

INSTALLATION

Chain mount to ceiling using the 12" mounting chains included.

All mounting hardware is included.

LISTINGS

UL listed to US and Canadian safety standards and suitable for damp locations.

WARRANTY

2-year limited warranty. Complete warranty terms located at

www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

NOTE: Actual performance may differ as a result of end-user environment and application.

Specifications subject to change without notice.
